

# BHS Patient Centricity Award

**BHS, with the support of Bristol Myers Squibb (BMS) and Takeda, is granting up to two (2) annual prizes to encourage the development of projects focused on the care of patients suffering from blood diseases.**

For this purpose, the BHS is organising a “Patient Centricity” Award, called the PACE Award.

All information on rules and regulations (including the application form) are available on the BHS website.

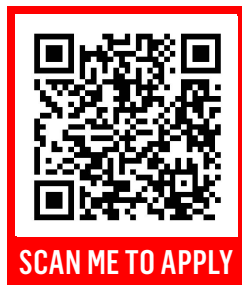

The submission deadline is Monday December 04<sup>th</sup> 2023 (midnight CET).

The “PACE Award” jury will select one or two innovative projects on the optimisation of care for patients with blood disorders which will be awarded with a prize of up to 20.000 euro.

The winners will be personally informed before the 39th BHS General Annual Meeting, February 2-3, 2024 during which they will be invited to present their winning project in English using a visual aid.

We are looking forward to receiving outstanding projects that can change the natural history of hematological diseases.

Sincerely,  
Marc André, President of the BHS

**SCAN ME TO APPLY**

## Award Criteria

### Who can apply?

- be a member of the BHS and a natural person
- the project can be led by a paramedical professional practicing in a hospital setting (e.g. nurse, pharmacist, physiotherapist, social worker,...) **but must be** supervised by a hematologist
- may not be an employee of the pharmaceutical industry

### Which projects are eligible?

- Clinical projects focused on the optimisation of care for patients with blood disorders, both in hospital or outpatient setting (but with a link to the hospital).

### Application requirements?

- <https://bhs.be/practice/pace-award>

You can apply online by Monday 04<sup>th</sup> December 2023 via this link (<https://bhs.be/practice/pace-award>) or by scanning the QR code below. Only online submissions will be considered. Submissions sent by e-mail will not be considered.
