

Red Blood Cell Disorders Committee

<http://www.bhs.be>

MEETING JANUARY 25, 2017

Participants:

Olivier Ketelslegers, Béatrice Gulbis, Ann Van Damme, Anna Vanderfaeillie, Annelise Bruwier, Laurence Dedeken, Marie-Agnès Azerad, Cécile Boulanger, Pierre Philippet, Philip Maes, Ann Devos, Axelle Gilles, Phu Quoc Lé.

Minutes:

- Next GAM: session dedicated to the the activities of each committees
 - When: Thursday 9th of February from 15h to 18h.
 - Short presentation (15 minutes – 3 minutes discussion)
 - Activities of your sub group
 - Your projects for the futur
 - The way to promote interactions between BHS board and BHS sub committees.

The presentation has been updated ([annex 1 – GAM 2017](#)).
- Revival of the Belgian SCD registry: follow-up ([annex 2](#))
Discussion was about the items in the data base. Each partner should send back their approval or any suggested modification.
- Update of the ASH meeting ([annex 3](#))
- Organization of our next meetings

We propose to put different topics on the agenda:

- A place for diseases other than SCD
- Clinical trials
- Recommendations to be updated and new ones; publication in the Belgian Journal of Hematology
- Practical aspects of follow-up (example erythrocytapheresis; pain management; flue vaccination)
- Difficult cases
- Provide summary of official guidelines

At each meeting, we would like to provide this agenda around 1 month before the meeting to all partners and each partner will be asked to participate in one topic or another.

Next meeting: Thursday May 18
