

PACE AWARD: PAtient CEntricity BHS-BMS-Takeda

Checklist with the eligibility criteria

Make sure your project fulfills all criteria mentioned below before you submit your application. Projects not fulfilling these criteria will not be eligible for the award.

- ✓ The applicant is a member of the BHS in good order of payment
- ✓ The project focuses on the optimisation of care for patients with blood disorders (hematological patients)
- ✓ The project must be supervised by a hematologist but the project can be led by a paramedical health care professional practicing in a hospital setting (e.g. nurse, social worker, pharmacist, physiotherapist,..)
- ✓ The project has a link with the hospital, even if it focuses on outpatient care
- ✓ The project does not involve the use of specific pharmaceutical drugs
- ✓ The project is not a clinical research project
- ✓ The award (prize money) cannot be allocated to fund a salary, but it can cover activity and material costs
- ✓ The applicant is not an employee of the pharmaceutical industry

- The following are not must-to-have eligibility criteria but are highly encouraged to be met. The BHS encourages the submission of projects that:
 - involve a multi-disciplinary team
 - include the consultation of patients of patient organisations
