**NOVEMBER 30<sup>TH</sup> 2018**

**NATIONAL JACIE MEETING DAY**

**INVITATION**

The Belgian Hematological Society (BHS) organises the sixth National JACIE Symposium with an unrestricted grant of Sanofi

Topics that will be presented during this meeting include the current situation of **JACIE** in Europe and Belgium, national benchmarking and quality analysis of stem cell transplantation programmes, the involvement of the pharmacist and the national registry (MDP-B) in the **JACIE** process and cell product labeling.

In addition a round table discussion will be organised to exchange personal experiences and to discuss about common problems. The target audience includes clinical program directors, nurses, physicians, laboratory and collection facility directors, laboratory technicians, pharmacists, quality managers or other staff members who are directly involved in the **JACIE** process.

Accreditation for this symposium is requested
