Introduction

The annual congress of the American Society of Hematology (ASH) is one of the major international meetings in the field of hematology. It has become a tradition that major scientific breakthroughs and novel treatment approaches are presented at ASH. The 2014 ASH meeting will take place in San Francisco, California on December 6-9, 2014.

Since many hematologists are not able to attend ASH, the annual Post-ASH meeting organized by the BHS offers a great opportunity to be informed about ASH highlights, which will be presented by dedicated specialists during an afternoon symposium.

You are kindly invited to the 17th Post-ASH meeting on Friday, January 9, 2015.

We look forward to meet you during this exciting event.

*Prof. Rik Schots
Dr. Marie-Christiane Vekemans*

Location

Sheraton Brussels Airport
1930 Zaventem
Phone: (02) 710 8000

Registration

Register on-line: www.bhs.be or at the congress calendar at www.congresscare.com.
